

HFFN is a non-profit Hunter Valley community group formed to:

- ◆ Promote the productive and sustainable use of trees on farms
- ◆ Facilitate the exchange of information and ideas related to sustainable farm forestry within the the Network and between the Network and other organisations.

Membership is invited from members of the Hunter Valley community who are interested in farm forestry as a grower, environmentalist, harvester, marketer or processor, and are willing to learn and share knowledge and information on farm forestry.

Communication with members will be via their email address and the HFFN website will have details on past and future field days. www.hffn.org.au
